

# Mama's Sweet Strawberry Cake!

## Ingredients:

### CAKE:

- 1 box white cake mix
- 1 box strawberry gelatin (small box)
- 1 c oil
- 1/2 c milk
- 4 eggs
- 1 c mashed sweetened strawberries (not drained)

### FROSTING:

- 1 stick butter, softened
- 1 lb box of powdered sugar
- 1/2 c mashed strawberries, drained

### Directions:

1. CAKE: Mix all cake ingredients together and pour into a 9x11 inch pan. (You can layer in 2 smaller pans if you'd prefer.) Do not fill to the top of the pan, or batter will bake up too tall.
  2. Bake at 350 for 35-40 minutes.
  3. FROSTING: Mix together frosting ingredients. (It's very important that strawberries are drained.) If too thick keep adding strawberries until it is the right consistency.
- Last Step: Don't forget to share!
